OUR SUMMER IS MOVING VERY QUICKLY.

IT'S AMAZING TO THINK THAT SHCOOL BEGINS IN ABOUT 3 WEEKS. BUT OF COURSE I DON'T HAVE TO GET READY OR BUY SCHOOL CLOTHES OR WORRY ABOUT MATH OR SCIENCE.

We Berean Double Nickels, however, are planning an outing...

A Trip back in time at the

COLLIER LOGGING MUSEUM

near Klamath Falls.

We have a tentative date of August 24th and will leave the church at 9:30 am.

This will be a great opportunity to jog our memories of not so long ago. For many years the whole north west of Washington, Oregon and Northern California was dependent upon logging and the lumber industry, these were the backbone of the economy.

Collier has assembled a large number of old logging tools and implements from days gone by. A small saw mill, big tractors, loaders, and accessories are on display. There is a gift shop with some great pictures and books depicting that era.

It should be a fun drive and a good time to share in fellowship. Bring a sack lunch. We will eat in the park there. Please sign up in the church foyer. If you can drive, list that also.

A. I remember these.

"HOW CAN WE KNOW?"

I'm sure that one of the greatest joys, we as Christians can hang on to throughout our entire life is, that God sent His only Son into this world to die for us, that we might live.

The Apostle John assured us that we can know for sure we are saved. In 1 John the emphasis is that we can know for sure that we are saved. The emphasis is that for a believer to have a proper relationship with God, he must walk in obedience and Love. Love is what we do, not what we think or feel. Jesus loved us when we were unlovable. That selfless attitude is what we should also demonstrate in our lives as we interact with those around us.

1 John 3:10-13 says we know Christ because we do what is right. Obedience is the demonstration by a Christian of who he is modeling his life after, Jesus. 1 John 3:14 tells us that we have passed from death into life because we love others. 1 John 3:16-20 shows us that when we act out our faith through compassion, we know that we know Christ, not just in words; the Spirit He gave us witnesses to our salvation.

Ken's Pen

JUST FOR THE FUN OF IT

A little girl sat on her grandfather's lap as he read her a bedtime story. From time to time she'd reach up and touch his wrinkled cheek. Then she touched her own cheek thoughtfully.

Then she spoke:

"Grandpa, did God make you?"

"Yes, sweetheart", he answered. "God made me a long time ago."

"Did God make me too?" she asked.

"Yes, indeed, honey," he answered. "God made you just a little while ago."

She touched his face again, and then her own.

"He's getting better at it isn't He?" she asked.

GOOD EYESIGHT HAS ITS DISADVANTAGES!

My face in the mirror isn't wrinkled or drawn.

My house isn't dirty. The cob webs are gone.

My garden looks lovely, and so does my lawn.

I think I might never put my glasses back on.
